SPI TUF updates and plans

Name: Alex Koifman

Company: Intergraph

Date: November 5th, 2008

TUF issues

- Active Local TUF's status
- Year 2009 TUF prioritization proposal

5 active LTUFS:

- Houston LTUF – meeting quarterly, 30-50 people regularly
- Calgary LTUF – meeting quarterly to semi-annually in Calgary and Ft. McMurry
- UK LTUF – meeting semi-annually in London
- South African LTUF – meeting quarterly, 15-30 people
- Benelux LTUF – just started this fall, about 15 people

Year 2009 prioritization voting plan

- LTUFs to vote on their proposed candidates to the Global TUF voting
- Each LTUF will present their “Top 10” list (no later than February ‘09)
- Combined “Top 40” will be distributed back to LTUFs with detailed explanations (March-April ‘09)
- All members of the LTUFs will vote individually (or per company, as per their company policies) – May ‘09
- Additional voting will take place during Intergraph 2009 User Conference in Washington, DC USA
- Final prioritization will include all votes from local TUFs and Global TUF meeting (no duplicate voting)
