The screenshot shows the 'Capture New CR' form on the Technical User Forum website. The page has a navigation bar with links for Home, Meeting Minutes, Contacts, About, My Profile/CRs (highlighted), and Login. A user is logged in as John. The form includes fields for Official CR Number and SR Number (Optional), a large text area for the Customer Request, and a section for Associated Files. There are radio buttons for selecting applications (SmartPlant Instrumentation or SmartPlant Electrical) and a section for Business Drivers. A final text area is provided for additional comments on business drivers and incentives. A 'Submit' button is located at the bottom right of the form.

Capture New CR
Just fill in the data below to add your customer request to the official rankings.

Official CR Number
Enter the customer request number you received from Intergraph.

SR Number (Optional)
Enter the service request number you received from Intergraph.

Customer Request
You can use bold, italics, underlines etc. by using simple HTML code for formatting, such as such as `bold`, `<i>italic</i>`, or `<u>underlined</u>` text. Note that these code commands will not display the changes to the text until you submit the CR into the system for Ranking.

Associated Files
Once your CR is submitted, you will have the chance to attach as many files to this particular change request. Anybody viewing the change request will be able to download and view these files. To attach a file, in the "My Profile" tab, click on "View your CRs" then click on the CR you would like to attach the file to. Under the "Associated Document" section, you will be able to upload one file at a time. These files need to be approved by the site administrator, so they will **not** be available for download immediately.

Applications
Check the applications your CR applies to at right. SmartPlant Instrumentation®
 SmartPlant Electrical®

Business Drivers

Additional comments on business drivers & incentives (Optional)

Submission will become live instantly. Please double check for accuracy. Click 'Submit' when you are finished.
