

## List of Future Smart Instrumentation LTUF Presentations

- Smart Instrumentation Vendor interfaces
- Smart Sketch Symbol editor
- Smart Instrumentation Offline Project
- Smart Instrumentation Utilities from external companies
- Smart Instrumentation User Tips and techniques
- SQL statements for Smart Instrumentation – Ron Jackson
- Smart Instrumentation Web APIs
- Instrumentation Standards
- User Implementation of Smart Instrumentation
- Smart Instrumentation Interface to SPID
- Smart Instrumentation Interface to S3D
- Control Valve Types
- Relief Valve Types
- Flow Measurement
- Level Measurement
- Pressure Instruments
- Temperature Instruments
- Safety Instrumented Systems
- Documenting PLC I/O in Smart Instrumentation
- Smart Instrumentation Modules
- Project Claim and Merge - Rae Zhang
- Working with cloud-based SaaS
- IT Security
- AI utilization in Smart Instrumentation
- Import Module
- Merge Utility
- Reference Compare Utility
- Data Integrity Utility
- Rule Manager – Arvind Acharekar
- Associated Documents – Ron Williams
