- Recent Changes To Website Approach
  - Change Request CR \*\* Historically supported
  - Trouble Report TR \*\**New*
  - Wish-List WL \*\**New*
  - Service Request \*\*Historically supported

The screenshot shows the 'SmartPlant Electrical' website interface. At the top right, it says 'Welcome Back Dennis! [Logout](#) Not Dennis? [Login](#)'. Below this is a navigation menu with links: Home, Meeting Minutes, Contacts, Search, Key Ranking Dates, About, My Profile / Ideas (highlighted), and Login. The main content area is titled 'Capture Your Idea' and contains the following fields:

- Official CR Number**: Enter the customer request number you received from Intergraph.
- TR Number**: Enter the trouble report number you received from Intergraph.
- Wishlist Number**: Enter the wishlist number.
- SR Number (Optional)**: Enter the service request number you received from Intergraph.

Below the fields is an 'Idea' section with a text area. The text area contains the following instructions: 'You can use bold, italics, underlines etc. by using simple HTML code for formatting, such as such as `<b>bold</b>`, `<i>it</i>`, or `<u>underlined</u>` text. Note that these code commands will not display the changes to the text until you submit the idea into the system for Ranking.'

At the bottom, there is an 'Associated Files' section with the following text: 'Once your idea is submitted, you will have the chance to attach as many files to this particular idea. Anybody viewing the idea will be able to download and view these files. To attach a file, in the "My Profile" tab, click on "View your Ideas" then click on the idea you would like to attach the file to. Under the "Associated Document" section, you will be able to upload one file at a time. These files need to be approved by the site administrator, so they will **not** be available for download immediately.'
